

International Sculpture Day

Innisfil Sculpture Group was excited to have Innisfil be a part of the global movement of International Sculpture Day (#ISDay). #ISDay, is an annual inclusive celebration held worldwide on or around April's last Saturday to advance the creation and understanding of sculpture and its unique, vital contribution to society.

A Sculpture Tour took place April 23-May 4 in various locations across Innisfil showcasing the amazing works of sculpture created by some of Innisfil's most prolific artists.
