Policy No: 2018-16

Date: October 9, 2018

Revision Date: October 2022

Number of Pages: 42

PURPOSE

To establish a policy regarding the purchase of goods, services, construction and professional services as required under Section 270 of the *Municipal Act, 2001*, S.O. 2001, c. 25, as amended from time to time.

The Library is committed to ensuring that its procurement decisions are open, fair and transparent. Purchases made by the Library should reflect the best value for the taxpayer, protect the Library/Town's financial interest and encourage competitive bidding. Effective planning, monitoring and control of public sector procurement are essential for maintaining public trust and confidence. The Library/Town must be prepared to manage extraordinary circumstances from time to time, which may require immediate procurement decisions that are necessary to prevent or alleviate serious delay, a threat to public health, safety or welfare, the disruption of essential services or damage to public property, or to respond to an emergency.

This Policy has been adapted from the Town's policy to meet the specific needs of the Innisfil Public Library Board ("Library"), and is designed to work in conjunction with the Purchasing Processes and Procedure Document, which is administratively held and managed by Staff as approved by the CEO.

POLICY

Application

1. INTRODUCTION

1.1 Title and Administration of Policy

This policy will be known as The Purchasing Policy. Staff, who are members of the Library's Purchasing Team, under the direction of the Chief Librarian/CEO, is responsible for the administration of this policy, which includes updating and evaluating for effectiveness, as appropriate but no later than every five (5) years.

1.2 Validity and Severability

Should any section, subsection, clause, paragraph or provision of the Policy be declared by a court of competent jurisdiction to be invalid or unenforceable, the decision shall not affect the validity or enforceability of any other provision of this Policy as a whole.

1.3 Interpretation

In this Purchasing Policy,

- i. The word "may" is permissive.
- ii. The words "shall" and "will" are imperative.
- iii. Words used in present terms include the future.
- iv. Words in the singular number include the plural number, and vice versa.
- v. Where an Official of the Library is authorized to do any act pursuant to this Policy, such act may be done by such Official's authorized delegate or Designate, unless specifically stated otherwise.
- vi. Where the context so requires, the masculine gender shall include the feminine and neutral genders and vice versa.

1.4 Public Purchasing Code of Ethics

All employees authorized to purchase Goods, Services and/or Construction on behalf of the Library shall adhere to the following principles, which are based on the tenets of the *Ontario Public Buyer Association's Code of Ethics*:

- i. ***Open and Honest Dealings with Everyone Who is Involved in the Purchasing Process.*** This includes all businesses with which the Library contracts or from which it purchases Goods and Services, as well as all members of Staff and of the public who are involved with Purchasing.
- ii. ***Fair and Impartial Award Recommendations for All Contracts and Tenders.*** This means that the Library does not extend preferential treatment to any Vendor, including local companies. Not only is it against the law, it is not good business practice, since it limits fair and open competition for all Vendors and is therefore a detriment to obtaining the best possible value for each tax dollar.

- iii. ***An Irreproachable Standard of Personal Integrity on the Part of All Those Designated as Authorized Purchasers for the Library.*** Absolutely no gifts or favours are accepted by any library employees, appointed trustees or elected officials in return for business or the consideration of business. Also, employees and appointed trustees and elected officials do not publicly endorse one company in order to give that company an advantage over others.

- iv. ***Cooperation with Other Public Agencies in Order to Obtain the Best Possible Value for every Tax Dollar.*** The Library participates in the Town's cooperative purchasing group. Made up of several public agencies, this group pools its expertise and resources in order to practise good value analysis and to purchase Goods and Services in volume and save tax dollars.

PART II

2. PURCHASING PRINCIPLES & GOALS

The Library adheres to the following purchasing principles:

- 2.1** To purchase, rent or lease the required quality and quantity of Goods, Services and/or Construction by promoting an open, fair, and transparent competitive process in an efficient, professional and cost effective manner while maintaining budgetary control and protecting the best interests of the Library.
- 2.2** To encourage open, fair, and transparent competitive processes for the Acquisition and Disposal of Goods and Services and to obtain the best value for the Library.
- 2.3** To offer a variety of Acquisition Methods and to use the most appropriate method depending on the particular circumstances of the Acquisition.
- 2.4** To consider all costs and factors, including, but not limited to, Acquisition, operating, training, maintenance, quality, warranty, payment terms, Disposal value and Disposal costs, in evaluating submissions.
- 2.5** To utilize comprehensive and unbiased specifications in order to maximize competition.
- 2.6** To give full consideration to the annual aggregate value or to consider the total project cost of specific Goods, Services and/or Construction which will be required by each library location and by the Library as a whole prior to determining the appropriate Acquisition Method.
- 2.7** To operate centralized procurement through Library Administration.
- 2.8** To encourage the purchase of Goods, Services and Construction with due regard to the preservation of the natural environment; Vendors may be selected to supply Goods made by methods resulting in the least damage to the environment and to supply Goods incorporating recycled materials where practicable.
- 2.9** To avoid real and perceived conflicts between the interests of the Library and those of Library Staff, Board Members, and elected officials, and to ensure compliance with the *Municipal Conflict of Interest Act*, R.S.O. 1990, c. M.5, as amended.
- 2.10** To promote respect for International and Interprovincial Trade Treaties and Agreements.
- 2.11** To promote, and incorporate, whenever possible, the relevant requirements of the *Ontarians with Disabilities Act, 2001*, S.O. 2001, c. 32 and *Accessibility for Ontarians with Disabilities Act, 2005*, S.O. 2005, c. 11, in Procurement for the Library.

3. When either no Bids or no Compliant Bids were received in a Call For Bid process;
4. Specific Standards are adopted by the Library Board requiring certain Goods or Services;
5. A Good or Service is being purchased for defined testing or a trial use period;
6. A Good or Service is of a confidential condition or matter and where the disclosure of such in an open competition could compromise confidentiality of the Vendor or the Library or be contrary to public interest; or,
7. When the Library has a Lease with a purchase option and exercising the purchase option would benefit the Library.

Negotiations may be used with a Single Source. The threshold, advertising, approval and purchase execution parameters are outlined in Schedule B.

8.2 Sole Source

A Sole Source may only be used when one of the following circumstances applies:

1. A Good or Service is covered by an exclusive right such as a patent, copyright or exclusive licence; or,

SCHEDULE C BID IRREGULARITIES

A Bid irregularity is a deviation between the requirements (terms, conditions, specifications, special instructions) of a Bid request and the information provided in a Bid response.

A **"major irregularity"** is a deviation from the Bid request that affects the price, quality, quantity or delivery, and is material to the award. If the deviation is permitted, the Bidder/Proponent could gain an unfair advantage over competitors. Purchasing Services shall reject any Bid, which contains a major irregularity.

A **"minor irregularity"** is a deviation from the Bid request, which affects form, rather than substance. The effect on the price, quality, quantity or delivery is not material to the award. If the deviation is permitted or corrected, the Bidder/Proponent would not gain an unfair advantage over competitors. The Purchasing Team in consultation with Legal Services may permit the Bidder/Proponent to correct a minor irregularity.

ACTION TAKEN:

1. The Bid Review Committee shall be responsible for all action taken in dealing with Bid Irregularities, and acts in accordance with the nature of the irregularity:
 - ✓ major irregularity (automatic rejection);
 - ✓ minor irregularity (Bidder/Proponent may rectify).
2. The list of irregularities in this schedule should not be considered all-inclusive. The Bid Review Committee will review minor irregularities not listed and acting in consensus shall have authority to waive other irregularities or grant two (2) business days to initial such irregularities, which they jointly consider to be minor.
3. Where a submitter has been given notice of a specified time period to correct an irregularity, the submitter shall be deemed to be in default of the process and, where applicable, the Bid deposit shall be forfeited if the correction is not made. The submission will be given no further consideration for award.
4. This Bid Irregularity List shall apply where the irregularity is with respect to a stated requirement of a Formal Call For Bid (RFQ, RFP, and RFT) or Information Gathering Bid (RFEOI, RFI, RFPQ) and where the submission must be received on/before a specified date and time.
