

Job Opportunity
CREATIVE TECHNOLOGIST – Summer Programmer
(3 positions - 30 hours per week per assistant)
Innisfil ideaLAB & Library (www.innisfilidealab.ca)

Position Description:

The Creative Technologist – Summer Programmer will work as part of our dynamic team to offer exciting, engaging, and high-quality programming for children of all ages. Working together, Summer Programmers will develop and implement programs based on STEAM and ‘Maker’ philosophies, as well as act as key marketing agents for these programs and the TD Summer Reading Club. Summer Programmers represent the Library and engage the community by attending events throughout Innisfil where they highlight Library programs and services. They will gather statistics on all programs and regularly report on activities to ensure programs support the Library’s strategic goals.

Qualifications:

- Between the ages of 15 and 30 (grant requirement);
- Must be available to work flexible hours, including evenings and weekends, at all branches of the library system;
- Excellent communication skills, able to work independently and as part of a team, takes initiative, and thrives in an environment that encourages self-directed time-management;
- Experience working with groups of children (ages 3-12) in a public library setting or equivalent;
- Excellent computer skills, knowledge of children's literature and programming resources, STEAM-based learning, and developmental stages of children. Those with experience in coding, robotics, filmmaking and editing, photography and other ‘Maker’ technologies preferred;
- Valid driver’s license and reliable transportation;
- Police records check is required.

Fourteen-week position starting May 19, 2020, with a 30-hour workweek.

Please mail or email resumes by 5:00 p.m. on Saturday, March 7, 2020 to:
