Policy No: 2020-16

Date: June 15, 2020

Review Date: June 2024

Pages: 16 (*including appendices*)

PURPOSE

The Borrowing Policy outlines the eligibility for membership; the responsibilities of the member; loan periods; and the fees, charges and fines as set by the Innisfil Public Library Board (The Board).

POLICY

Application

All residents of Innisfil, as well as those who own businesses or property, work or go to school in the municipality, are entitled and encouraged to become a member. In registering for a membership, members agree to follow all rules and regulations of the Innisfil ideaLAB & Library (The Library). A valid library card is required to borrow materials from the Library and to access some services.

Definitions

Cost Recovery *includes the cost of materials plus an administration fee.*

Interlibrary Loan *–is the process of lending and borrowing information resources to and from public libraries across the province and beyond, thus expanding the quantity of resource materials available to library customers.*

Guidelines

Membership

General

The Innisfil Public Library Board recognizes that a primary objective of the Ontario Public Library Act, RSO, 1990, Chapter P.44 is to ensure equal access to library resources for all citizens, regardless of their ability to pay or the nature of the format. Free library membership is available to all year-round residents of Innisfil, to seasonal residents owning property in the Town, to children attending school in Innisfil, and to those who own or operate a business, or who work in Innisfil.

- Proof of residency, school attendance or workplace is required when registering.
- Children under 14 years of age must have their registration form signed by a parent or legal guardian. In doing so, the parent or legal guardian accepts financial responsibility for all materials borrowed on that card.
- Youth, aged 18 years of age and under who do not possess identification must have the registration form signed by a parent or legal guardian.
- Library circulation and member records will be handled in accordance with the *Freedom of Information and Protection of Privacy Act*.

Non-Residents/Reciprocal Borrowing

- Non-residents who do not qualify for a free membership can purchase one at the rates outlined in Schedule A.
- Where reciprocal borrowing agreements exist, customers may borrow library materials subject to the terms of the current agreement.
- Where a service contract has been signed with a neighbouring municipality or the library board of a neighbouring municipality, the Library will provide library service to residents of the contracting municipality or library board, subject to the terms of the agreement.

Responsibilities of Library Members

Members:

- Must comply with Library policy;
 - Must present their library card each time they borrow materials or use library computers;
 - Must notify the Library promptly of a change of address or loss of their library card;
- Are financially responsible for materials borrowed on their card - outstanding accounts will result in the loss of borrowing privileges.

Parents or Legal Guardians:

- Who register children under 14 years of age accept financial responsibility for all materials borrowed.
- Have sole responsibility for what is borrowed by their children.
- Must not leave children unsupervised in the Library. (Children's Services Policy & Youth Services Policy).

Withdrawal of Service

The use of the Library and its services can be denied to individuals who:

- Are unwilling to comply with library policy;
- Destroy or damage library property;
- Act in a manner which interferes with the general public's enjoyment and use of the Library's facilities;
- Fail to return materials or make recompense for the loss or damage of library materials. Customer privileges will be suspended until all items are returned –or all outstanding accounts settled, and may be suspended for all accounts associated with the same address as determined by Staff.

Borrowing

General

See attached 'Schedule A' for loan periods of specific items.

- Materials designated as *Reference* do not circulate, unless authorized by the Manager, Collections Services, or Designate.
- Reference items from one branch may be placed on reserve to go to another branch. Once received at the requesting branch, they are for in-library use only by the customer and then shipped back to the original branch.
- The number of materials on a particular subject a customer may borrow may be limited subject to heavy demand and/or at the discretion of the Manager, Collections Services, or Designate.
- Library newspapers and the professional collection do not circulate.
- As material becomes available in alternate formats, the Library will determine loan periods and renewal periods based on criteria such as demand, availability, etc.

Renewals

Books and Audiobooks may be renewed three (3) times. DVDs/Blu-ray, video games, TV series, and magazines may be renewed once. Materials on a reserve list cannot be renewed.

Items on Hold

Holds will be permitted on most circulating library materials owned by the Library.

- Customers whose requests have been filled will be contacted electronically or by phone, as specified by the Customer.
- Holds, except for DVDs/Blu-ray, and video games, will be held for one calendar week after the customer has been contacted. After this time period, the materials will return to general circulation or be passed on to the next customer on the reserve list. DVDs/Blu-ray and video games, are held for two (2) operational days after the customer has been contacted.
- Customers, who fail to pick up materials within the appropriate time-period or who do not contact the Library, can request the same materials again but will not retain their priority position.

Interlibrary Loans (ILLO)

Where materials and/or information are not available from the Library, Interlibrary Loan service may be offered.

- Members must be in good standing before using Interlibrary Loan services.
- Members may have only one ILLO account with the Library.
- Most libraries, including the Innisfil ideaLAB & Library, provide Inter-library Loan service without compensation. Where a lending library or institution applies a charge, the member will be informed of the charge. If the member is not willing to pay the charge, the 'Inter-loan' (Inter-library Loan request) will be cancelled.
- Inter-library loans are subject to the rules, regulations and policy as established by the governing Provincial agency.
- Members may borrow inter-loan materials for 3 weeks, unless the loaning library assigns a shorter loan period. Inter-library loan materials will not be renewed. When Inter-library Loan materials are received by the Library, the member will be contacted as specified by the Customer. Items will be held for one calendar week.
- ILLO items not picked up cannot be re-ordered for six months.
- The Library may loan book club sets to other libraries. No borrowing charge will be levied as the Library benefits from free borrowing of sets for book club programming purposes. If sets are lost or damaged, charges will be invoiced based on the fees outlined in Schedule A.
