All borrowers must understand and agree with the following terms and conditions, as outlined in the Borrowing Policy:

Equipment Failure – Equipment failure is a normal consequence of equipment use. Normal repair costs will be covered by the Library.

Lost Item – Borrowers will be charged for full replacement costs of missing items.

Damaged Item – Damages will be repaired by the Library and costs will be charged to the borrower.

Missing Pieces – Many Maker Kits contain multiple small pieces and loss of pieces is a consequence of use. For these kits, any loss of pieces over 10% will be charged a base fee of \$20 to cover replacing pieces. For any kits containing larger, specialized pieces, a replacement fee per piece will be charged.

- All equipment must be returned by the due date, and late fees will be applied to each bin/item that is returned late (as outlined above). Please note: the check in process does take time, so you may see fines on your account during this period. However, these will be removed once the check-in process is complete.
- All equipment has been tested by Library staff and is in proper functioning order prior to being borrowed.
- Borrowers will immediately report equipment malfunction, damages or loss due to accident, neglect or abuse.
- Borrowers will not attempt to repair damages or have them repaired by anyone other than Library staff.
- If borrowers lose or damage any equipment, borrowers will be charged the replacement cost.

- Borrowers are responsible for all borrowed equipment until it is inspected and signed off by a Library staff person.
- Borrowers will not leave equipment unattended.
- Equipment must be returned to a library staff member **in person** during open hours. Do **not** return in the material return slot outside of the Library.
