The **Book Appeal Terms** indicate why people enjoy the books that they do, by collecting data on genre, character, storyline, tone, writing style, and more. There is even a link to the **Definition of Appeal Terms**. Once you learn about the different appeal terms, try searching by **Appeal Factor**. Click on the **Select A Field** option in the dropdown of the **Advanced Search** page, mentioned above.

You can also suggest a read-alike of your own or rate ones that are already on the list by clicking on **Suggest Read-alike** or the thumbs up/down icons.
